

EC2U MENTORING WEBINAR.

BRIDGING ACADEMIA AND INDUSTRY SOCIETY.

April 28, 2025
3:00 – 5:00 PM CET

Call for Mentees – Explore Career Opportunities Beyond Academia!

Are you a PhD student in STEM considering a career outside academia? Do you want to connect with industry professionals from across Europe who have successfully transitioned into non-academic careers? Register for the EC2U Mentoring Webinar and secure mentoring meetings with professionals from diverse industries!

Who can apply and how to apply?

PhD students or doctoral students in the STEM field who are considering a career outside academia.

Apply by March 31, 2025 via [this portal](#).

Selected applicants will be notified by April 15, 2025, and receive the webinar link.

What to expect?

- Small-group discussions on career opportunities beyond academia.
- First-hand insights from experienced professionals in different European industries.
- Interactive mentoring sessions where you can ask career-related questions.
- Discussions in English.

After the webinar, you may schedule one or two additional one-on-one mentoring meetings, depending on mentor availability and your career interests.

Who are the Mentors?

- Dr. Clavaín (Biotechnology) – Entrepreneur, EGO Genomics S.L.
- Dr. Hoffmann (Physics) – Secretary General, Austrian Chapter of the Club of Rome
