Technological Ecosystems for
Enhancing Multiculturality

We, hereby, certify that:

PATRICIA SANCHEZ-HOLGADO

has presented the paper entitled

*Adoption of media by European scientists for the creation of
scientific transmedia storytelling*

at the 5th International Conference in Technological Ecosystems for
Enhancing Multiculturality (TEEM2017).

The conference has been held in Cádiz, Spain on October 18-20, 2017.
This edition was jointly organized by the SPI-FM, EVALfor and GRIAL
research groups with the support of the University of Cádiz.

Signed by:

A handwritten signature in black ink, appearing to read 'Juan Manuel Dodero', written over a horizontal line.
