Dear Sir, Madam,

I am pleased to tell you that **Diego Cachón Ramón**, has visited the *Utrecht Institute of Linguistics OTS* at the **Utrecht University** as a visiting Ph.D. researcher from **February 17** to **June 17** of **2020**.

During this period, he has been working on his PhD research: "***Improving attitudes towards stigmatized groups with narrative messages. The effect of empathy and audience-character similarity***", under the supervision of Prof. Dr. Juan-José Igartua. During his visit, we have had regular meetings discussing his research – although, because of the Corona measures – these meetings have been held digitally as a result of the Corona crisis.

I have enjoyed working with Diego.

Regards,
